

- I have updated my emergency contact information in **Emory's Emergency Notification Program** by logging into PeopleSoft and navigating to the Emergency Alert Information Page.
- I have programmed the **Emory Police Department** emergency number **404-727-6111** into my cell phone.
- I have downloaded the **Emory LiveSafe App** onto my cell phone by going to **emory.edu/livesafe**
- I have saved an **"In Case of Emergency"** (ICE) number in my cell phone.
- I have an **Emergency Communication Plan**.

My family knows how to contact me or my friends in an emergency.

*keep in mind...*

Cellular phone reception may be limited during emergencies. Use text messaging or social media to contact friends and family.

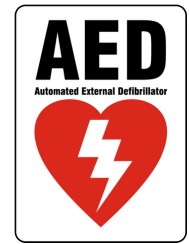

My friends are able to contact my family in an emergency, if I am unable.

This symbol designates each building's safety refuge.

An annual flu shot helps prevent illness & protects others from getting the flu from you.

- I know where to seek **shelter** in my building during **severe weather** or a tornado.
- I know **more than one way to exit** my building if the primary pathway/door is blocked.
- I have received my **flu shot** this year.
- I know how to locate an **Automated External Defibrillator (AED)** and a **Bleeding Control Kit** on campus (locations listed on the LiveSafe app & on CEPAR's website).
- I have reviewed the **emergency procedures** on...
