War between Israel and Iran?

0:00 / 2:33

Israel, Iran and nuclear weapons
Recent sanctions by the United States have not deterred Iran's working to build a nuclear program, and it's nearly inevitable at this point that Iran will soon have a nuke, says nuclear proliferation expert Kyle Beardsley.

"But Christians aren't judged based on what the Bible said 2,000 years ago, but on how they behave today. Why are Muslims judged according to these literalist interpretations, and not according to how the vast majority of good Muslims behave today?"

- Law professor Abdullahi Ahmed An-Na'im
